

All Shore Jazz Audition

Drum Set Grooves

Instructions: All students should prepare the 6 drum set grooves as written on the following pages.

Please note that each groove includes 4 measures of time followed by 4 measures for solo improvisation.

Each groove should be played twice (as indicated by the repeats) and the student should solo both times when indicated. Each groove should end with a downbeat release as written in the music.

Students should adhere to the written tempos and stylistic qualities of each groove.
